

**Cleveland Committee on Foreign Relations  
2021-2022 Season Pledge**

In light of the ongoing evolution of the COVID-19 pandemic, the health and safety of our members and our staff remain a priority for the Cleveland Council on World Affairs. Per CDC recommendations, vaccination and wearing a mask indoors in public are the most effective ways of reducing community spread and protecting public health.

We are asking all members of the Cleveland Committee on Foreign relations (CCFR) to re-assure other CCFR members that only fully vaccinated individuals are attending the programs by signing this pledge:

**I am fully vaccinated against the COVID-19 virus, and I agree that I will wear a mask\* – except for when actively consuming food or beverages – during CCFR programs.**

(\*Mask type and its usage will be in compliance with CDC guidelines)
